Students not dressed with the District dress code may be offered use of standard school clothing for the day; or their parents will be contacted to bring correct

clothing. Students who repeatedly fail to dress in accordance with this dress code may be subject to disciplinary actions as set forth in the District policy manual. Students who refuse to dress in accordance with this dress code may attend another school outside the District, in accordance with open enrollment policies.

No student shall be subject to discipline for failure to comply with this dress code if the reason is economic hardship. Under such extreme circumstances, the school will work with families to provide assistance for the students to be furnished with standard school clothing.

New students who enter District schools have one (1) week to purchase standard school clothing. During this time period, the schools may donate the use of one (1) uniform set per child.

On occasion, the principal may allow a "dress up" day when students may wear clothing other than the standard school clothing. This will be on special occasions only. The students' parents will be notified prior to the "dress up" day.

Boy Scout, Girl Scout, or any other uniform that is not school related, may not be worn during normal school hours.

The Professional Staff Dress Code is established by Board Policy GBEBB; however, staff may at any time wear the student District uniform.
